**The Ames Exploration Encounter has taken this steps in order to be in compliance with federal legislation for child protection, including The Family Educational Rights and Privacy Act (FERPA- <https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>) and the Children's Online Privacy Protection Act (COPPA- <https://www.ftc.gov/enforcement/rules/rulemaking-regulatory-reform-proceedings/childrens-online-privacy-protection-rule>).**

All students using computers from school locations must agree to abide by school policy. However, since the online courses are web-based, content accessed from home could put the student in contact with objectionable materials via the World Wide Web. It is the responsibility of the parent/guardian of the student to restrict any access to materials deemed inappropriate by the parent/guardian.
